**ORDER POSTPONING
DEADLINES**

12 The Court Monitor has advised the Court that the Parties are making progress toward
13 defining the future role of the CDE as the Court ordered on November 20, 2008, but require
14 additional time to conclude these negotiations. Accordingly, the Court shall extend the
15 deadlines articulated in section 3 of the November 20, 2008 order. The Parties shall have
16 until December 17, 2008 to resolve this matter through a stipulated modification to the
17 consent decree. If the Parties cannot agree, any or all shall file a motion with the Court on
18 December 22 seeking an amendment to the consent decree. All other deadlines in the
19 November 20, 2008 order shall remain the same.
